2. [REDACTED] telephoned to ask whether I would open the [REDACTED] Course at [REDACTED] on Monday, 16 October, at about 12:30 P.M. I told him that I would be glad to do so. He also advised me that they have arranged to invite the first [REDACTED] Group down for a meeting with [REDACTED] on the twenty-first or twenty-second of October. I told him that I thought this was an excellent idea.

3. [REDACTED] was up to discuss classroom furniture for the new building. I told him that it was pretty late in the game to talk about buying anything new and that while I would like to see the classrooms be the latest thing I supposed that they would have to move in with their old furniture.

4. Gates Lloyd, [REDACTED] and I met with Emmett Echols and Matt Baird to discuss the JOT Program and other related programs. We agreed that we should transfer the function to the Office of Personnel and that the program should be modified considerably along the lines which have been recommended by both Colwell and Emmett. Emmett and Matt will talk with Messrs. Amory, [REDACTED] and Kirkpatrick about this as soon as possible, and we will then decide whether we should present this to the Career Council before taking implementing action. H

5. [REDACTED] telephoned to request that I brief the Contact Division Field Chiefs in the Director's Conference Room at 1600 hours on Monday, 23 October. I accepted.
